Learning Outside of the Classroom

On May 16, the first and second grade went on a field trip to The Riverfront in Salem. They stopped by the Salem Carousel and visited the A.C. Gilbert Children's Museum. The carousel had many hand carved animals to ride. Each animal had a theme. There were bucking broncos, race horses, and even a giraffe. The AC Gilbert center had many hands on science experiments indoors and a giant play structure outside. Some of the favorite indoor activities were the giant foam building blocks and the wind machine. Outdoors, the students climbed on a giant spider web and careened down a 2 story twisty tube slide that was dark the whole way. We also had a rocket workshop at AC Gilbert. Students built rockets from paper and launched them by jumping on an air pump. After each launch the students redesigned their rocket to try and make it go farther. Some rockets went as far as 50 feet!

On May 2, Preschool-5th grade had their Spring Concert led by our amazing music teacher, Mr. Leal. Thank you to : Our custodial staff for the hard work that goes into preparing for this community event. Our teachers who work with Mr. Leal to support the NDE music program. Our community, administration, and school board who continue to support music in our schools!

The month of May was packed with adventure and hands-on learning for our 5th grade class! On May 15, they went on a snowshoeing trip to Crater Lake. Guided by the forest ranger, the kids enjoyed the day learning about native wildlife, predator and prey, snow safety, and the many unique features of Crater Lake National Park. To complete their trip, they hiked around the rim of Crater Lake for the most spectacular view of the lake and its surrounding beauty. May 28th-May 30th, they spent their time at the OMSI Outdoor School at Coastal Discovery Center in Newport. Our students learned about; coastal ecology, beach debris, wind, water and waves, tide pooling, coastal birds, marine mammals, orienteering, shark ecology, tsunami survival, and weather and climate. They also participated in a variety of activities including; eco-jeopardy, hiking, kayaking, and tide-pooling.

Did you know.... At 1,949 feet Crater Lake is the deepest lake in the USA!

Caleb Parks, Arianna Helgren, Abigail Whipple, Levi Jentsch

Middle Row:

Samuel Criteser, Killian Bond, Vanessa Beerman, Tyler Kallinger

Front Row:

Hope Morgan, Natalie Draeger

Congratulations to our King and Queen,
Killian Bond and Vanessa Beerman

Our Kindergarten class has been busy!

Kindergarteners recently celebrated "Paleontologist Day" as a way to end their unit study of dinosaurs. As a part of the celebration, students enjoyed making their own salt dough dino fossils.

Kindergarteners had fun experimenting with shaving cream. They practiced writing their names, numbers, and sight words. Not only did the students enjoy the activity, the shaving cream cleaned their desk tops.

Third Grade

Ms. Mast & Mrs. Reigard's third grade classes completed the final step of the ODFW Fish to Fry program and released their salmon into Pass Creek.

On May 29th, third graders ventured up to Portland for a visit to OMSI. During their visit they enjoyed a unique look into the Pixar process, and explored the science and technology behind some of the most beloved animated films and their characters. They also got to climb aboard the US Navy's last non-nuclear, fast attack submarine featured in The Hunt for Red October. Time was also spent exploring over 200 exhibits and activities. The kids loved getting to have this hands-on experience with science & technology!

The NDHS softball team finished with a 24-3 record and won their 2nd OSAA State Championship in three years. The Lady Warriors won the regular season District 3 title with a record of 17-1, but fell to Central Linn in the district playoffs. The loss dropped the Lady Warriors to the 9th seed in the state playoffs putting them on the road. They went on to defeat #8 Bonanza 12-7 and #1 Grant Union 5-0, before returning home to defeat #20 Lakeview 2-0 to earn a berth in the state championship game. They went on to defeat defending champion Kennedy 15-6 for the title. Natalie Draeger was named player of the game after going 4-5 at the plate. The Lady Warriors lose two seniors, Joanna Alcantar and Riley Black, from the team.

North Douglas High School, 14 graduating seniors

Graduation begins at 12:00 p.m., Saturday, June 8, at the North Douglas High School auditorium, 305 S. Main St, Drain.

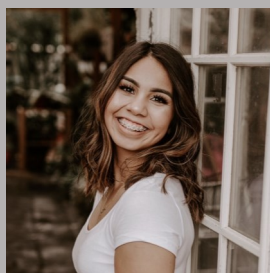

Co-Valedictorians are Joanna Alcantar and Vanessa Beerman.

Joanna is the daughter of Bernabe Alcantar and Angelica Luviano of Drain. She plans on attending Western Oregon University to get a teaching degree. Joanna is the Student Council president, an FBLA and National Honor Society member, and played varsity volleyball and softball.

Vanessa is the daughter of Scott and Courtney Beerman of Drain. She plans on joining the United States Marine Corps and go to law school to become a defense attorney. Vanessa is a FBLA member, participated in the Battle of the Books and is a library volunteer.

Salutarian is Abigail Whipple. She is the daughter Samantha Whipple of Drain and JB Whipple of Elkton. Abigail plans on attending Linn-Benton Community College next year and then transfer after two years to Western University to earn a bachelor's degree in business management. She is the Student Council vice-president, FBLA and National Honor Society president, and played varsity volleyball and basketball.

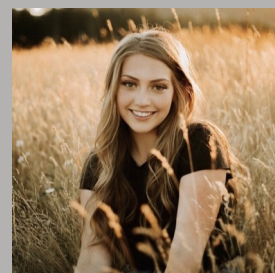

Joanna Alcantar, Vanessa Beerman, Riley Black, Killian Bond, Brian Erickson, Koldan Frieze, Trace Gordon, Arianna Helgren, William Hickox, Levi Jentzsch, Kaleb Mello, Caleb Parks, Justin Smith, Abigail Whipple.
