North Umpqua Unified Club

North Umpqua Unified Club consists of three schools, North Douglas, Elkton, and Yoncalla. NUUC focuses on inclusion and respect. On Thursday, October 17th, all three schools traveled to the 2019 Youth Summit at Oregon State University. They danced, played games, made new friends, and learned different ways to put inclusion into practice.

Environmental Science

On Tuesday, October 22nd, 13 students from Mr. Emmick's Environmental Science class traveled to Charleston, Oregon. Students went on a campus tour of University of Oregon's Marine Biology Research Station (OIMB) and the Marine Life Center (an aquarium centered around the Oregon coast). Students were able to learn about marine biology in a hands on way and understand the unique opportunities available to study marine biology on the southern Oregon coast. Afterwards, students went to the South Slough Estuary. Students were taken to Hidden Marsh, where scientists explained ongoing research associated with sea level rise and sedimentation rates. The students were invited back to partake in this research and hope to return in the spring of 2020 to do so.

2019 Jog-A-Thon

On October 4th, North Douglas Elementary/Middle School students participated in the annual Jog-a-thon. Once again, the students and community did a great job in raising money to support the school. Many of the students ran over 5 miles in an hour, with the top runner going just over 7 miles. In total, the students brought in over \$13,000 dollars that will fund various different activities throughout the school year. Thank you to everyone for your continued support of all the students at NDE/MS.

NDMS Choir @ Vocal Jam

The vocal jam is a non-competitive event at Roseburg High School where the local high school choirs all meet and perform for each other. The UCC choir (The Umpqua Singers) also perform.

Our group did not perform, but instead went to watch and draw some inspiration.

Pumpkin Patch

North Douglas Elementary Students enjoyed the chilly afternoon of October 22 at the Northern Lights Pumpkin Patch in Pleasant Hill. Our students got to enjoy a variety of activities throughout the day including playing in a hay replica of the Mayflower named The Hayflower.
